

Between us, we've collected  
**OVER 7 TONNE**

More than **20** transit van loads less  
in landfill **WELL DONE everyone**

PLEASE  
WASH & DRY THEM  
AS YOU USE THEM

EACH BAG OF TOPS HAS TO BE  
HAND SORTED AT HOME,  
BEFORE GOING ON TO BE GROUND UP  
... SOME SACKFULS ARE VERY BAD

Recycling **PLASTIC MILK BOTTLE TOPS** helps our environment.

Plastic tops in landfill sites take 100's of years to bio-degrade.

The money from GHS Recycling Portsmouth

helps bring bread to hungry children in Seica Mare, Romania
